

Puerto Rico / Virgin Islands Volunteer Frequency Coordinator, Inc.

Directorio de Repetidores de Puerto Rico e Islas Vírgenes

Entidad Coordinadora

P.R./V.I. V.F.C

Este directorio es para toda la comunidad de radioaficionados para que tenga conocimiento de donde están localizados los repetidores, quien es el trustee, la frecuencia coordinada, tipo de repetidor, cuál es su tono o color, slot, talkgroup y el modo que opera el repetidor.

A continuación, la leyenda para que puedas entender la parte de estatus:

A = análogo

D = digital

C = coordinado

V = validado

OA = On Air

E = evaluación

R = reparación

F= fusión (Yaesu)

Esta leyenda te ayudará a entender el directorio de los repetidores coordinados a nuestra bella Isla de Puerto Rico.

Este directorio es exclusivo del **PR/VI VFC Inc.** es completamente gratuito para la comunidad de radioaficionados y se prohíbe la venta de este directorio para garantizar el acceso público a toda información de los repetidores coordinados en Puerto Rico e Islas Vírgenes.

Nota: Este directorio puede sufrir cambios de acuerdo con las nuevas coordinaciones, reparaciones, repetidores off air y evaluaciones de coordinaciones.

Para más información puede entrar al siguiente enlace: [REPETIDORES COORDINADOS](#) donde está la lista oficial donde usted puede ver si hubo algún cambio en alguno de los repetidores ya coordinados y usted pueda modificar el folleto según la información más actualizada. Recuerden que el PR/VI VFC Inc. es la entidad que regula las coordinaciones y mantiene su directorio al día según las necesidades de la comunidad de dueños de repetidores. Está **prohibido la reproducción para fines lucrativo**. El directorio es exclusivo del **PR/VI VFC Inc.**

Ayúdanos a mantener los repetidores en el aire (**On Air**). Si usted tiene conocimiento de algún repetidor está fuera del aire (**Off Air**) puede entrar al siguiente enlace: [BÚSQUEDA DE REPETIDORES OFF AIR](#) es completamente confidencial y estricto anonimato. Nunca le pediremos ninguna información personal de usted. El PR/VI VFC Inc. estará agradecido por su ayuda.

Este folleto será actualizado cuando se realice el **tercer estudio de repetidores en aire (On Air) 2022-23**. Usted puede actualizarlo con el formato de Word según los cambios sufridos.
